SENIOR HISTORY

Now that we've completed the four years of training at this camp, we are prepared to go forth to other stations. Our one troop will separate and form different divisions; we'll acquire new ranks, new responsibilities, and new duties.

In 1931 we entered our new training camp, with Armijo High School as our headquarters. We began as rookies, greener than grass in the springtime; but pitifully eager to learn and anxious to work, in order that we might gain recognition for ourselves in our lower ranks. The first orders were: (1) Learn how to play and fight fair. (2) Co-operate with fellow soldiers. (3) Learn to obey orders as given by the officers.

Our battles were few; our mistakes innumerable. In spite of our greenness, we emerged on the top with the able help of Margaret Hale, Bill Catling, Edna Wright, and Bill Spohn.

Then we were promoted to the position of second lieutenants. We received no new orders. Our battles became a little more difficult; we began to cover more territory; we joined clubs; we indulged in athletics; there was much more activity in our barracks. Our leading officers were Bill Spohn, Margaret Hale, Edna Wright, and Molly McFall.

Still on the top we were promoted to the position of Generals, stronger offices, and more important cogs in the machinery of modern soldiery. The new commanders appointed in our troops were Edwin Cusick, Bob Reams, Joe Frutos, and Molly McFall. Some of us were winning medals for fighting and playing fairly through the very midst of depression and failure. Instead of weakening, our troops were re-enforced, making us forty-five in number.

In due time we were ranked as Superior officers. In every battle we have fought this year, we have won with the help of Norman Siebe, Ruthe Widenmann, Molly McFall, and Margaret Hale. In most games in which we have participated, we have won; but whenever we were defeated, it only served to strengthen us for the next attack. We've conquered all of our obstacles.

Over the top--! And thus we leave, with banners flying high. We leave prepared to face life fairly and squarely; ready to conquer the obstacles of life as they arise.

We strain on the leach of fulfillment;
Impatient to start life's long race
Of hardships, of pleasures, of sorrows,
Of perils we have yet to face.
We've made a move on life's journey
And extended a step toward the goal.
Our eyes peer eagerly forward
To see what Life's page will unfold.
Our aspirations are priceless;
Our dreams a costly stuff.
We've many a barrier to conquer
And many a storm to bluff.
May our courage be unfailing
And our path be straight and true;
May our lives be worth the living,
And credit our school with honor due.

ARMIJOSCOPE

Well, here we are, folks, at the famous 1955 MEN AND WOMEN'S AUTOMOBILE RACES. At the microphone you are listening to Bill Spohn, a former dare-devil of the Navy Air Corps.

Overhead we see many airplanes stunting and zooming about. There goes the famous Robert Barney, who set a new world's record for endurance flights. Following him we see Marion Okell, radio's most exotic torch singer, who has taken up flying.

Looking at the race track, we see the cars beginning to line up. At the official desk who should we find but Ralph Glashoff with his wife, the former Irma Mattheis. Ralph has become a very successful civics instructor with racing as a side line.

First in line we find Tom Morimoto in a snappy yellow car. Tom is one of the most famous stunt-drivers of his time. No. 2 is Clifford Reams, the man on the flying trapeze in BARNUM AND BAILEY'S CIRCUS, who has taken up racing to strengthen his nerve.

Next comes Margherite Sciacqua, who works in the SAN FRANCISCO LAUNDRY. Her salary isn't so large; so she is going to endeavor to win the race by hook or crook.

The last car in line we find is occupied by Ruthe Widenmann, a well-beloved "old maid" kindergarten teacher.

Well, folks, the race is about to start. The drivers all look nervous but determined. There goes the gun! The crowd rises to its feet as the drivers are off in a cloud of dust.

As the crowd settles down, we see among the many interested spectators, Count John Valladao, Jr., the very famous opera singer. John has such a magnetic personality that he is idolized by women everywhere as a perfect lover.

Also among the spectators we find the second Katherine Cornell, Mary Canova. Since the death of the actress, Mary has risen to fame as her double.

Wait a minute, folks; there seems to be trouble on the track. Clifford Reams was in the lead, but his car has got out of control. He can't stop it! It's rolling over and over! He'll be killed! Is there a doctor in the audience? Ah! There goes Dr. Elaine Spohn, the former Elaine Wilson, to the rescue. A crowd has gathered about the car, and we can't see what is going on. Kirby Stevens, the world's most famous undertaker, is rushing to their aid. Right on his heels we find Ned Pretel, minister of the First Methodist Church, Fairfield. I guess he thinks there is going to be a funeral and he wants to be on hand.

While we are waiting, the first one that strikes our eye is Sarah Lebedoff, the second Mae West. Sarah has become very successful as a successor of the famous movie queen.

Sitting directly behind her, we find Mr. Spohn's assistant, Sam Kitabayashi, with his beautiful wife, the former Mary Otsuji.

Perched high up in the bleachers, Joe Frutos, toe dancer in

ZIEGFELD'S FOLLIES, and Walter Freitas, the only wrestler ever to conquer Jim Londos.

Don't forget, ladies, real bargains are to be had at HERBERT MAURO'S BARBER SHOP in San Francisco. This week the special feature is a combination hair-cut and facial for 25 CENTS.

The track is almost cleared now. George Dotemoto, world famous auto mechanic, has been assigned the job of fixing the wrecked car. While we are waiting, a band, under the direction of Maestro Tony Juan, is doing its bit.

Your announcer is rather tired; so I will now turn the microphone over to Eddie LeGare, radio's favorite announcer and the husband of Evelina Lovelady, hostess of the HOT SPOT NIGHT CLUB.

Hello, folks, this is Eddie LeGare, relieving Bill Spohn as announcer. I have learned that the car that was wrecked is to be turned over to Harry McGinnis, the most successful junk dealer of his time in Fairfield, California.

There seems to be a commotion at the gate; and who should be coming in but a fruit tramp, Margaret Hale, and her very dear friend, Molly McFall, who is the champion fruit-cutter of Suisun Valley. Right behind her we find Delbert Harper and Norman Siebe, the two gigolos of high society who earn their living by flattering rich women like Bernyce Monez, who is dissatisfied with her professor husband.

Lily Siu, China's most intellectual woman, is now entering, clad in a beautiful fur coat. Following her is Douglas Johnson, with a suitcase full of patent medicines.

The last of the late comers are just entering the grand stand now. They are Don Wing, the second Henry Ford, and his beautiful wife, Mme. Marie Pappas, Paris style expert.

We just spotted Patricia Patterson looking very domestic with her husband and children. Across from her we see another married lady, Rafaeleta Munoz, and her many children. Olivia Freitas, the "it" girl, or the second Clara Bow, is here too, with three escorts. John Colla, Big Leaguer, and Tony Samo, heavy-weight champion, who are bosom pals, are seen in the officials' box. Barbara Shoemaker, now Mrs. Eddie Freitas, and Alice Groulx, now Mrs. Horace Perry, are here with their husbands.

Ruth Wright and Edna Wright, the two gangster belles, seem to be causing a disturbance, but Bernard Theena, Chief of Police, has calmed them.

There goes the gun! The race is now over. Ruth Widenmann's the lucky winner of the five dollar prize!

Pardon me just a minute, folks. Here is an announcement; Stella Capp, hostess in the RED ROSE BUD TEA SHOPPE invites all members of the class of '35 to a reunion at her tea shop.

Goodbye, everybody! I'll see you all at the reunion.

CLASS WILL

We, the tribe of nineteen hundred and thirty-five, do, in a somewhat upset and troubled state of mind (this climaxes the first year of flight for the Blue Eagle) draw up this, our last will and testimony under the shelter of our exclusive wigwam, bestowing our merits upon the following fortunates. In short, we, the class of '35, do will and bequeath our unusual traits to the following respectively:

First and foremost, to the harrassed faculty, do we hereby bequeath our "never say die" attitude.

Secondly, do we grant to the juniors our superior intelligence and stately mein.

Thirdly, to the haughty sophs, do we give our outstanding athletic ability.

And last--but not least--do we bestow upon the frosh our excellent conduct in all student body affairs.

And, individually and benignly, do we will and bequeath our distinguished characteristics as follows:

I, Robert Barney, do will and bequeath my burning passion for "flying" to Kenneth Finch.

I, Mary Canova, do will and bequeath my ability to handle the brass to Claire Petersen.

I, Stella Capp, do will and bequeath my frills and pastels to Anne Gurnette.

I, John Colla, do will and bequeath my outstanding athletic ability to my "little" brother Louie.

I, George Dotemoto, do will and bequeath my "absorbed" attitude during chemistry to Lewis Vernon Morrill, Jr.

I, Olivia Freitas, do will and bequeath my size and shape to Alice Stuewe.

I, Walter Freitas, do will and bequeath my heroism during football season to Lloyd Scarlett.

I, Joe Frutos, do will and bequeath my perpetual smile to Wayne Woodard.

I, Alice Groulx, do will and bequeath my dainty ways to "Horsie" McElrath.

I, Ralph Glashoff, do will and bequeath my brilliancy in civics to Raymond Rizzo.

I, Margaret Hale, do will and bequeath my marked pull to Margaret Mason--not that she needs it!

I, Delbert Harper, do will and bequeath my blue roadster to the next dashing young cavalier.

I, Douglas Johnson, do will and bequeath my peculiar drawl to Lloyd Tenney.

I, Tony Juan, do will and bequeath my winning ways with Miss Reese to Wilbur Ball.

I, Sam Kitabayashi, do will and bequeath my A in chemistry to "Slimy" Sweeney.

I, Sarah Lebedoff, do will and bequeath my knack of yell-leading to my colleague, Marie Freitas.

I, Eddie LeGare, do will and bequeath my unquenchable enthusiasm for Stanford to Margaret Mason.

I, Evelina Lovelady, do will and bequeath my squeaky voice to Jane Chadbourne.

I, Irma Mattheis, do will and bequeath my quiet manner to Jean Mortensen.

I, Bernyce Monez, do will and bequeath my Johnnie to the fortunate one.

I, Tom Morimoto, do will and bequeath my cute little "heap" to my best pal.

I, Rafaelita Munoz, do will and bequeath my various mysterious romeos to Isabel Ruiz.

I, Marion Okell, do will and bequeath my devotion to Ruthe to Beth Sweeney for Wilma.

I, Mary Otsuji, do will and bequeath my shy attitude to June Sonneland.

I, Marie Pappas, do will and bequeath my handsome apparel to "kid sister Gracie".

I, Margherite Sciacqua, do will and bequeath my plumpishness to Kirsten Andreasen.

I, Barbara Shoemaker, do will and bequeath my domestic ideas to Eleanor Lambrecht.

I, Norman Siebe, do will and bequeath my tantalizing eyes to Alexander Chermisin.

I, Lily Siu, do will and bequeath my erect posture to the person wise enough to accept it.

I, Bill Spohn, do will and bequeath my inclination toward mischief to the caboose of the family.

I, Kirby Stevens, do will and bequeath my "way with the ladies" to Charles Crane.

I, Edna Wright, do will and bequeath my "littleness" to Frances Woods.

I, Ruth Wright, do will and bequeath my common sense in business matters to Ruth Davisson.

And so, seated about our little campfire, do we draw up this, our last yearly charter, to be laid in the hands of the youthful juniors, tribe of '36.

Witnesses: Chief Armijo
Chief Solano

Signed: Tribe of '35

JUNIORS

Three short years ago we entered the portals of Armijo as freshmen. We were a little bewildered and apprehensive of the treatment we should receive, but this feeling soon passed; and under the leadership of Dorothy Moller, we joined in the activities half-heartedly. But after the FRESHMEN RECEPTION we really felt we were initiated and indeed bona fide members of Armijo High. We soon proved this in a very boisterous and flighty manner.

We started our sophomore year as a group of light-hearted, carefree youngsters, who would rather play than work. Under the supervision of our president, Anne Gurnette, and with the help of several members of the faculty this spirit of extreme youth was taken out of most of us. It all terminated in our giving several short, light plays, which made us work to produce comedy, thus teaching us that work and play can be mixed properly.

As juniors we are more or less exuberant but with a serious spirit predominating. Under the guidance of our able chieftain, Lloyd Scarlett, our scholarly instincts have come to light. We have awakened to the fact that the world is ours only if we make it so, and we are laboriously engaged in making something of ourselves in order to realize our ambitions. We are taking part in all activities, for we realize the need of being dramatically, or socially or athletically alert as well as having scholarly knowledge.

In a carefree manner we made our SOPHOMORE HOP a huge success, and now as juniors it is quite as apparent that we haven't slipped an iota, for the PROM turned out quite as well, and everyone had a memorably happy time.

As the year draws to a close we look back and can find nothing in our actions that we regret or anything to stain our record. We can only look forward to our senior year with the hope that it will be as successful as this has been. As the summer months draw nigh a lingering sadness is apparent along with the joy of vacation thoughts. Can it be that while we shall be mighty seniors, next year will also be our last? We have grown to love dear old Armijo, and it is only natural that the thoughts of leaving should bring a feeling of sadness and regret.

SOPHOMORES

When we, the class of '37, entered Armijo two years ago, we felt that at last our greatest hopes and ambitions had been fulfilled. Here we were big High School Students, and it was only natural that we felt quite grown up! But alas! That delightful feeling soon faded when we realized that we were considered little green Freshies by the upper classmen; especially when we had to ask them to direct us to classrooms or to help us open stubborn lockers which refused to budge.

At our class meeting in Miss Mary Jean Davis' room, we elected Kenneth Jones as our president; Kenneth Finch, vice-president; Bill Brownlee, secretary; and Bob Spohn, board of control.

The most exciting event of the term was the FRESHMEN RECEPTION. Most of us were not perfect dancers, and although there was a great deal of "toe treading", no permanent injuries were sustained, and the upper classmen were good sports and saw that we had a very enjoyable time.

When our second year of school rolled round, we felt that as mighty sophomores we at last had the privilege of being dignified, and therefore capable of looking down on the Freshies, as we had been looked-down-upon by the upper classmen the previous year. We elected Kenneth Finch, president; Mervyn Eaton, vice-president; Bill Wright, secretary; and Lawrence Wilson, board of control.

During the first part of the term, many of our class members participated in the school sports, with the girls going out for soccer and basket ball, and the boys for football and basket ball. As a Thanksgiving program, a group of the Sophomore English students gave a short play entitled LANTERN LIGHT.

The big event of our term was the SOPHOMORE HOP, given by ourselves, with the capable assistance of that master of ballet masters, Mr. O. C. Spohn. In order to raise money for our dance we gave a very successful food sale; and under the direction of Miss Emily L. Reese, we put on another play entitled CYCLONE SALLY.

The term was brought to a close with finals; and although we are looking forward to enjoying vacation, we hope that the coming junior year will be as successful and as happy as our sophomore year has been.

FRESHMEN

During the month of August, a new group of Indian Papooses, we of the Freshmen Tribe, made ready to tread the War Trail. On the day we set out, we were sixty strong; but as the days passed, new trailers joined our ranks, making us sixty-five in number. Holding a heap-big pow-wow, we put Ruth Crane in command, with Edwin Wood as second councilor. Ruth Siebe became secretary and Edwin Wood was appointed board of control member.

Before the day of the big dance in our honor rolled around, we were taught to dance by the Warriors. The FRESHMEN RECEPTION was a harrowing experience, but we passed through it fairly well. We did our share in participating at the THANKSGIVING DANCE, WASHINGTON DANCE, the SOPHOMORE HOP, and lastly, the JUNIOR PROM. Next year when we have grown out of our Papoosehood into warriorhood, we shall give our SOPHOMORE HOP, which will be a grand affair.

Our small Papooses were strongly represented in all athletics. The boy Injuns did well in football, basket ball, baseball, and track; and show promise of being great athletes in the near future. Their sisters fought hard for first place in soccer but were defeated by the Braves. In basket ball, the Papooses tied with the councilors for third place, but they made a good showing in volley ball, baseball, and track.

Undaunted by examinations and upper classmen, we, the Papooses, traveled a long difficult trail. However, we have come through with war-paint gleaming, and we are looking forward to new fields to conquer in the coming year.

ACTIVITIES

ACTIVITIES

ARMIJO STUDENT

Another school-year is rolling to a close and another birthday has been added to the mounting years of THE ARMIJO STUDENT. Marked by achievement and improvement, this year has been outstanding in the history of our small but famed paper.

The journal is published each Thursday, excepting holidays, by and for the students of Armijo. The staff, in co-operation with the Journalism Class, tries to bring to you news of the students and their activities. By purchasing an ARMIJO STUDENT, the members of this school obtain information regarding the functions of their organizations, accurate accounts of athletic games, news of alumni, and a bit of humor. All this tends to strengthen school spirit and to cement friendship among the students.

SCHOLARSHIP SOCIETY

The SCHOLARSHIP SOCIETY is an organization consisting of those students who show by their semester records that they have made the necessary ten points, an A grade counting three points and a B grade counting one point. They are eligible to membership during the semester succeeding the one in which such points have been made.

Students who have earned chapter membership during one semester are awarded the novitiate pin in the form of a sacred torch for the semester. It is indeed a privilege to be a holder of this pin. Every student, upon entering high school, should strive to acquire and retain this lovely and honorable pin.

The officers of the SCHOLARSHIP SOCIETY this year are as follows: Margaret Mason, president; Kenneth Jones, vice-president; Alice Stuewe, secretary-treasurer.

The members of the SCHOLARSHIP SOCIETY are as follows: Kirsten Andreasen, Bill Brownlee, Anne Gurnette, Margaret Hale, Agnes Jacobsen, Kathryn Jacobsen, Kenneth Jones, Lillie Low, Margaret Mason, Molly McFall, Jean Mortensen, Yumiko Oino, Ruth Siebe, Olga Simonini, Lily Siu, Alice Stuewe, Elaine Wilson, and Frances Woods.

The membership of this organization during the year has increased over that of the last few years; still the percentage is not very large, and the SCHOLARSHIP SOCIETY is looking forward to a greater increase in membership in the years to come.

SCIENCE CLUB

The ARMIJO SCIENCE CLUB of 1935 has again experienced another successful year under the leadership of Mr. O. C. Spohn. The officers elected for the first semester were as follows: Margaret Hale, president; Edna Wright, vice-president; Ruthe Widenmann, secretary. Following are the officers elected for the second semester: Kirby Stevens, president; Charles Crane, vice-president; Anne Gurnette, secretary. The officers played a great part in helping to make the club a success.

The members of the club are made up of students from the physics and chemistry classes. Meetings are held twice a month at which scientific topics are discussed from every angle. Such meetings help to create a lively interest in the otherwise hard subjects of physics and chemistry.

A few of the meetings were held in the cafeteria during the noon hour and were carried on in regular banquet style, proving very successful as well as enjoyable.

The annual SCIENCE CLUB PICNIC ended the year in the right manner. It was held at Putah Creek, and everyone present reported a most enjoyable time.

STUDENT BODY

Throughout the past school year, the STUDENT BODY has flourished and grown under the capable management of its leaders, which include the student-body officers and the board of control with the helpful advice of the faculty.

The annual FRESHMEN RECEPTION, sponsored by the STUDENT BODY for the purpose of formally welcoming the freshmen to Armijo, was given on the night of October fifth. In the early spring, another dance was given which was called the WASHINGTON DANCE because of the nearness of that great man's birthday. Both were fully appreciated and enjoyed by the students.

Last year the big contribution to the school was the turf on the football field; but this year, it was the cafeteria. This project, started as an experiment, has now become a permanent fixture and is a big addition to our ideal school.

The student body officers who have conducted our school affairs capably and well during the past year are as follows:

FALL SEMESTER

SPRING SEMESTER

John Colla.....	PRESIDENT.....	Don Wing
Don Wing.....	VICE-PRES.....	Eddie LeGare
Margaret Hale.....	SECT.-TREAS.....	Molly McFall

The members of the board of control, who, with the faculty, have been responsible for the success of the school dances and student-body undertakings are as follows:

Anne Gurnette, Lawrence Wilson, Edwin Wood, Bill Brownlee, Sarah Lebedoff, Joe Frutos, Fred Tomasini, Elaine Wilson, Harry Chadbourne, Wilbur Ball, Robert McQuaid, and Lewis Morrill.

The success of the STUDENT BODY during this year has been possible only through the co-operation of the students, the helpful advice of our principal and faculty members, and the excellent leadership of our officers.

SPANISH CLUB

The SPANISH CLUB, made up of the second year Spanish class and under the direction of Miss Carlson, started its year with the election of the following officers: Margaret Mason, president; Kenneth Jones, vice-president; Ruthe Widenmann, secretary; John Valladao, treasurer; Fred Tomasini, board of control; and Frances Woods, reporter.

Meetings were held every month at which Spanish games were played, Spanish songs sung, and many interesting talks given on Spanish customs and life.

At the beginning of the year the club decided to have a project, a book on the life and dress of Spain, which is now, progressing rapidly and is proving interesting to all the members.

At a joint meeting of the SPANISH CLUB and MATHEMATICS CLUB, the A students from the first year Spanish Class were initiated as honorary members of the SPANISH CLUB. At this same meeting the play, A NORTH-AMERICAN IN MEXICO, was presented, which was thoroughly enjoyed.

During the year a number of plays were presented at different club meetings. In short, the members of the SPANISH CLUB feel that during the school year the club has been a huge success in every way.

MATHEMATICS CLUB

The second year of the ETA BETA PI started most auspiciously. At the first meeting on October 16, 1934, twelve new members were initiated into the mysteries of that ancient and revered institution. They were Alice Stuewe, Alice Dotemoto, Anne Gurnette, Charles Crane, Lily Siu, Jean Mortensen, Margaret Mason, Kirsten Andreasen, Harold Anderson, Harold Gein, George Tomasini, and Martin Glashoff.

The next few meetings were quite brief since there was little business. It was decided to give a play. The idea developed into a party given in co-operation with the SPANISH CLUB on January 30, 1935. The play, A MATHEMATICAL NIGHTMARE, was a huge success. Entertainment in the form of games, dancing, and refreshments made the evening an enjoyable one for all.

The officers of the club were the only members left over from last year's trip under Skipper Wylie. They were Joe Frutos, president; Ruthe Widenmann, vice-president; and Elaine Wilson, secretary and board of control.

A luncheon was held on March 6, at which several of the members gave interesting speeches. At the meeting held on March 21, 1935, the new officers were elected: Harold Gein, president; Martin Glashoff, vice-president; Anne Gurnette, secretary.

The MATHEMATICS CLUB published a puzzle each week in the ARMIJO STUDENT, which aroused appropriate excitement. To the winner who presented the correct answer first, a free milk nickel was given. There was a veritable stampede for the office each Thursday noon, with gratifying results for the lucky winner.

The MATHEMATICS CLUB has all the under-classmen straining at the leash in the math. subjects of algebra and geometry in order to "make" the club when they become juniors. Thus Miss Wylie can say with pride that the club is now on the road to eternal fame in the halls of Armijo.

JUNIOR ENGLISH CLUB

One of the most successful clubs newly founded this year was the JUNIOR ENGLISH CLUB, under the direction of Miss Emily Reese. Its membership was made up of third-year English students and honorary second-year students.

The officers elected for the first semester were Wilbur Ball, president; Kirsten Andreasen, vice-president; Doris McElrath, secretary.

Meetings were held once a month at the Scout House in the form of joint business and social affairs. The first meeting, which was held in November, was devoted to travel. Travel essays and poems were read by several of the members. Mrs. Clara Smith gave a very interesting talk on her trip with the American Legion group to Florida from Suisun-Fairfield.

At the second meeting, drama was the main topic. Since Sinclair Lewis received the NOBEL PRIZE for his literary works, he was the author chosen. His life and his writings were discussed, and his latest play, DODSWORTH, was read by a group of the members.

The third meeting was held in the cafeteria, and the essay emphasized. A humorous essay on PIE was read, and then the election of officers for the following semester was held. They were as follows: Charles Crane, president; Harry Chadbourne, vice-president; Frances Cassidy, secretary.

At another meeting, Vingie Roe, the well-known California authoress, living in Wooden Valley, spoke to the English classes under the auspices of the JUNIOR ENGLISH CLUB, giving a very fascinating and enlightening talk on writing short stories for magazines and writing for the movies.

Just before vacation a picnic was held at Green Valley Falls in conjunction with the MATHEMATICS and SPANISH CLUBS.

There were thirty-one members and before each meeting, a chairman was chosen to preside and to have charge of the refreshments and entertainment. Through this system everyone had a marvelous time and enjoyed himself thoroughly.

The JUNIOR ENGLISH CLUB will be inherited by the next class of juniors. It is to be hoped that they will add to the fame and fun of this profitable club.

GIRLS' GLEE CLUB

The ARMIJO GIRLS' GLEE CLUB has enjoyed another successful year under the splendid direction of Miss Emily Reese.

At the JUNIOR MAGAZINE POTPOURRI, the girls represented the Philco and Majestic radio programs. Dressed in colorful Spanish shawls, they presented an effective picture as they sang NIGHT-FALL IN GRANADA. The manner in which they rendered DARK EYES on the same program brought them well-deserved applause. These two numbers were repeated at THE AMERICAN LEGION PROGRAM, which was held in the Armijo auditorium.

The GLEE CLUB has during this year studied songs of various foreign countries, and the girls have collected a repertoire representing all corners of the earth, which they sing very nicely.

This spring they sang several songs at a meeting of the LIONS CLUB and at various DRAMATIC ART programs before the student assembly.

As usual, the songs presented by the GLEE CLUB at COMMENCEMENT were fully enjoyed. The girls and their instructor are to be complimented for their fine work. The members are as follows: Mary Frances McCarron, Edna Wright, Ruth Crane, Lorraine Weir, Ramona Oberti, Annie Juan, Barbara Shoemaker, June Sonneland, Emily Lebedoff, Pat Trainor, Irma Mattheis, Ramona Wallace, Frances Woods, Helen Scally, Bernyce Monez, Grace Pappas, Nora Lebedoff, June Hampson, and Rose Goncalves. The accompanists were Yumiko Oino and Margaret Mason.

DRAMATICS

Many of the seniors entered the dramatics class. Long had they been looking forward to the time when they could claim this privilege since the class is organized exclusively for seniors. Besides being educational, the work furnished amusement and recreation for the students.

After a short study of the technique of acting, the members of the class, under the direction of Miss Emily Reese and her assistant, Miss Frances Hilborn, cast a few one-act plays and presented them to the student body at various times during the semester.

The plays given were as follows: THE FOURTH MRS. PHILLIPS, THE VANISHING PRINCESS, ART AND MRS. PALMER, THE THIRD ANGLE, THE LEAP YEAR BRIDE, and THE FIRST ANNIVERSARY. All were successful and were enjoyed by the audience, made up of the student-body members and visitors.

GROWING PAINS, a three-act play, was selected for the SENIOR PLAY. It tells the dilemma of the McIntyres, who see their boy and girl tossed in the cataracts of adolescence, while they can help little further than by giving directions for the turbulent course from a distance--advice which is, of course, rejected by the egotistic youth. George and Terry go through their throes with the neighborhood kids.

The setting for the play was also considered an excellent asset. It was on the patio of the McIntyre home and was the scene of all three acts. The cast for the play was as follows: GEORGE MCINTYRE, Eddie LeGare; TERRY MCINTYRE, Molly McFall; MRS. MCINTYRE, Margaret Hale; PROFESSOR MCINTYRE, Delbert Harper; SOPHIE, Ruthe Widenmann; MRS. PATTERSON, Marion Okell; ELSIE PATTERSON, Evelina Lovelady; TRAFFIC COP, Joe Frutos; DUTCH, Norman Siebe; BRIAN, Douglas Johnson; OMAR, Ned Pretel; HAL, Bill Spohn; PETE, John Colla; PRUDENCE, Barbara Shoemaker; PATTY, Ruth Wright; MIRIAM, Edna Wright; JANE, Bernyce Monez; VIVIAN, Patricia Patterson, EXTRAS, Margherite Sciacqua, Marie Pappas, Sarah Lebedoff, Mary Canova, Irma Mattheis, Elaine Wilson, Harry McGinnis, Don Wing, and Tony Juan. MANAGERS: Kirby Stevens and Robert Barney.

ORCHESTRA AND BAND

Station A-U-H-S broadcasting. The following program of musical selections will be given by the Armijo High School Orchestra and Band.

.

While they are tuning up, hear a brief history of the Armijo Orchestra:

Ten years ago this orchestra started with fifteen players. This year thirty-nine players reported at the beginning of the school year. Although many of these recruits were freshmen, they were soon whipped into shape (figuratively speaking) by their instructor W. F. Newell.

In the season of 1934-35 this same orchestra played at many plays and programs, such as FULL HOUSE, the AMERICANISM PROGRAM, the SENIOR PLAY, and the SPRING MUSIC FESTIVAL, in which schools from all over the county participated, and last but by no means least--COMMENCEMENT.

The band will now render several numbers, which will be announced by Mr. Newell.

The success of the band almost equals that of the orchestra. It was started nine years ago and was then quite small. It is still rather small, having only nineteen members; but it is a very good band for its size. This year the band played at several of the football games and at almost all of the basketball games played at Armijo. It also played at the big game at Vacaville, where the music was greatly appreciated.

On the whole, the orchestra and band have done extremely well, and the good work will continue. Thank you for listening to our little program, and we hope you will tune in next time we broadcast.

.

This is station A-U-H-S signing off until next year.

GIRLS' ATHLETIC SOCIETY

The GIRLS' ATHLETIC SOCIETY has had a very successful year under the direction of their adviser, Miss Lorene Wylie. The society furnishes many equal and enjoyable opportunities for the girls. Any girl who earns two hundred and fifty points is eligible for membership. In order to remain a member one must earn at least one hundred points each semester.

The officers who were elected for the year are Sarah Lebedoff, president; Margherite Sciacqua, recorder; Marion Okell, secretary-treasurer.

The managers selected to take charge of the various sports are as follows: Marie Freitas, soccer; Eleanor Lambrecht, basketball. The tennis tournaments were managed by Toshiko Osada; baseball by Lula Meyer; volley ball by Barbara Buck; and track by Eva Sannazzari. Under such leadership a very successful sport season for 1935 was completed.

This year the girls held their meetings in the cafeteria at noontime, which proved to be most successful. The meetings were held once a month.

The annual initiation was held on March 31; instead of having the ANNUAL KID PARTY, the members went on a bicycle ride to Rockville, where they ate their lunches and spent the rest of the afternoon playing games and hiking. Then later in the afternoon the girls started for home on their bicycles. Everyone enjoyed herself immensely, even the initiates; for it was something different. The following girls were initiated: Mabel Gein, Carol Lambrecht, Annie Juan, and Emiko Dotemoto.

The SPRING INITIATION was held at NEWMAN'S SWIMMING POOL, where the girls enjoyed themselves by swimming and playing games. June rolled round once more and the school term came to a finish, thus ending the activities of the GIRLS' ATHLETIC SOCIETY.

BLOCK A SOCIETY

The BLOCK A SOCIETY this year has reached its highest mark since it was first organized in 1929 under the leadership of Coach Bailey.

The officers elected for the first semester were as follows: John Colla, president; Ned Pretel, vice-president; Don Wing, secretary. The officers for the second semester were as follows: Lloyd Scarlett, president; Wilbur Ball, vice-president; Bob Reams, secretary. Joe Frutos was the member chosen to represent the BLOCK A SOCIETY on the Board of Control.

This year the type of sweaters was the same as last year's but of better quality. The color (school colors) was also the same as last year's being purple with gold stripes on the left sleeve. A member is entitled to a stripe for each year that he has earned a block in a single sport.

Moreover the BLOCK A SOCIETY purchased a scrap book in which were pasted pictures of the championship teams and clippings saved by Coach Bailey from the newspapers.

Many enjoyable BLOCK A meetings were held in the new cafeteria during noon hours, once every two weeks.

In short, it has been a most successful and most profitable year for each member of the society.

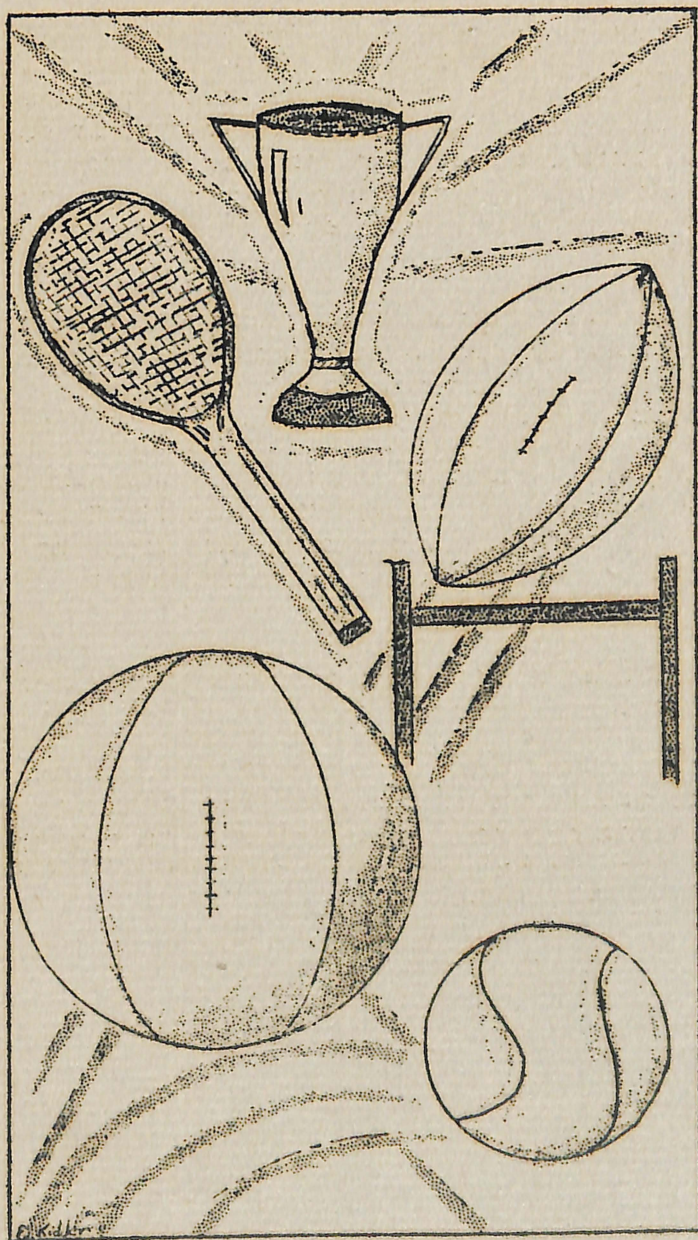

CAFETERIA

Looking both cheerful and cozy with lovely orange curtains made by the sewing class, under the supervision of Miss Florence Bosshardt, and attractive orange tables with black trimming and a colorful tulip on each corner and center (artistically done by the art class), the cafeteria opened on January 21, 1935 for the benefit of the faculty and the high-school students, who were to receive well-balanced meals that would keep their bodies healthy and fit for their studies.

The cafeteria kitchen is quite large, having in the center a large sink and work bench. On one end is a large white refrigerator, and diagonally across are two large black and white electric stoves. A little room off the kitchen is used only for dish washing. Excellent and well-balanced meals are served every day, of which Mrs. R. W. Wood is the cook. Her assistants, who help with the dishes and the cleaning up, are Mrs. Lucille Kerr and Miss Myrtle Tillotson. The serving is taken care of by the home economics girls under the supervision of Miss Bosshardt. Miss Bosshardt does the buying.

The ARMIJO CAFETERIA has been highly complimented by many as being tidy and sanitary, besides serving excellent wholesome dishes.

The students of Armijo should continue this pride in their own cafeteria and co-operate with the members of the kitchen force in helping to keep up the appearance and record of one of the best cafeterias in this state.

ATHLETICS

ATHLETICS

FOOTBALL

The ARMIJO FOOTBALL TEAM, while not a winner of the S.C.A.L. TITLE, may be classified as a team completing a very successful season. The football turnout brought the appearance of five veterans, but many weaknesses were left to be overcome by Coach Buck Bailey. Several weeks of practice-sessions were held before the Indians appeared capable of pitting themselves against competition.

The crucial game of the season brought together the traditional rivals. The score stood 6-6 in the final quarter, when Manuel of Vacaville ran 75 yards to a touchdown, which ended the hectic battle.

The most important game of the season was the second with the Bulldogs. Armijo gained an early lead, 6-0, and appeared capable of holding the Vacaville team scoreless. However, a safety and a touchdown gave the Bulldogs the championship, but the Indians have much credit due them for their fighting spirit.

The line-up for the Indians in the majority of their games included the following: Ends: W. Ball and Scarlett; Guards: McQuaid and T. Samo; Tackles: Jacaville and DePorto; and Center: Bill Brownlee. The backfield combination that carried the Armijo honors included Pretel at quarter-back; Mack, right-half; Gein, left-half; and Captain Joe Frutos, full-back. Substitutes: L. Colla, L. Samo, J. Chadbourne, Valine, Wing and Barney.

CLASS C BASKET BALL

The ARMIJO C BASKET BALL QUINT, champion of the S.C.A.L., and SACRAMENTO COUNTY TITLES, represented probably the best C team produced by the Indians in many years. From the start of the season the Indian C cagers were seen to be the best lightweight team in the county. They suffered but one league game loss, Rio Vista being the victors.

Opening the league season, the Indians defeated Benicia 29-9, in a contest that was all Armijo. Their 17-9 victory over the fast Rio Vista C team placed them as the team to beat the league. Vacaville bowed 15-9 to the Indians on the Armijo court, and Armijo held undisputed first place in the S.C.A.L. SOUTHERN DIVISION. Benicia suffered a more severe trouncing in their second meeting with the Indians, losing 34-13.

The ARMIJO SQUAD captured the title in defeating Vacaville 19-14. Rio Vista's 19-15 upset-win over the Indians broke the consecutive string of victories for the "purple and gold," but we were still classed as having the best C team in the league.

On Washington's Birthday the local squad vied for the S.C. A.L. SECTIONAL TITLE and succeeded in defeating Esparto 19-10 in an exciting contest. The opponents lead 10-5 at half-time but were held scoreless by a tightened defense in the final session. The following week, the Indian C's added the SACRAMENTO COUNTY CHAMPIONSHIP to their list in defeating Courtland 20-17 in another thriller.

Auburn, MOTHER LODE TITLE WINNERS, eliminated the Armijo babes from further honors in a hectic basket ball contest. The game was closely matched with the outcome in doubt throughout the game, but with Placer winning the title, 19-18.

Members of the CHAMPIONSHIP SQUAD included the regulars: Wong, Swasey, M. Egusa, J. Chadbourne, Rodriquez, and Oda. The second string: Black, Maves, Serpas, Osada, and Kojima.

CLASS B BASKET BALL

The B BASKET BALL TEAM of Armijo High School completed the 1934-35 season with a record of ten wins and four defeats of which only two were losses in league contests. The Indian Lightweights captured the title of the SOUTHERN S.C.A.L. DIVISION but were defeated in the playoff for the SECTIONAL TITLE.

Opening up the season against Sacramento's B Team, the Indians found the opposition too great and were beaten 27-11. The following week the Indian Lightweights reversed the count and defeated Napa 17-11. Petaluma, Napa, and Vallejo met the Armijo B's in vacation contests; the Indians captured all three contests. In the closest game of the season, Petaluma dropped a close 24-23 contest, Napa bowed in a 33-20 defeat, and Vallejo lost in an exciting 30-20 game.

Benicia, the first league opponents, was smothered 26-6 in a walk-away contest. The following week the Indians defeated Rio Vista 31-25. Then followed the Vacaville-Armijo contest, which the Bulldogs won, 24-22, in a really thrilling contest. Benicia again bowed to the Indians in her second meeting by a 38-11 count. The Armijo B's were in better form when they met Vacaville for the final time and landed the Bulldogs a 22-15 drubbing. In a contest which meant the championship, the Indians defeated Rio Vista 24-19 and proved to be the best representatives for the southern section to meet Davis in the playoff.

The trip to Davis resulted in a disastrous defeat for the ARMIJO B TEAM, which, without the services of Charles Crane, lost the title to Davis 37-26. The line-up which entered most of the contests was composed of Crane and G. Egusa, guards; Woodard, center; Scholl and Juan, forwards. Other members of the team included T. Egusa, Morrill, Pangburn, Valine, W. Wright, B. Spohn, and Canova.

CLASS A BASKET BALL

The basket ball season for the ARMIJO VARSITY did not prove so successful as it might have done, although the Indians did appear to have a strong team at the beginning of the season. Members of last year's B SQUAD served to strengthen the playing of the veterans.

The Indians played seven practice tilts before the league opening, winning five of these games; a good record considering the tough opposition encountered. The Vacaville Bulldogs, champions of the S.C.A.L. were the only league victors over the Indians.

The line-up which started the majority of the games included J. Frutos and S. Mack, forwards; J. Colla, center; D. Wing and N. Pretel, guards. Substitutes who served throughout the season included DePorto, Harper, Siebe, L. Colla, McQuaid, R. Glashoff, and Barney.

TRACK

A weakness in the turnout of athletes eliminated the Indian chances of presenting a team that could be recognized as an important contender for the S.C.A.L. TITLE. But eight athletes entered the CLASS A DIVISION with but three in the B DIVISION.

The ARMIJO C tracksters were the best representatives the Indians had on the track this year; they having won the S.C.A.L. TITLE at Vacaville. In dual meets with Rio Vista and Vacaville, the ARMIJO C team came through with victories in each instance.

The VARSITY and B TEAMS failed to win in either division in the SOUTHERN SECTION MEET at VACAVILLE, due to lack of entrants in many events.

Armijo was represented at the Roseville and Davis invitational meet but were out-classed by the larger entries of other schools.

In the S.C.A.L. MEET at Vacaville, the Bulldogs captured the title with 49 points, and Armijo scored 34 for second place honors. Davis, Winters, Clarksburg, Rio Vista, Dixon, and Esparto finished in the order named. Rio Vista captured the B TITLE with Davis second.

Members of the A TEAM included Ball, Scarlett, Gein, Alonzo, Frutos, H. Chadbourne, Barney, and G. Egusa. The B TEAM was composed of M. Glashoff, J. Chadbourne, and Cross.

The CHAMPIONSHIP C SQUAD was made up of Black, J. Chadbourne, Ridenhour, Rodriquez, Kojima, Cross, and Oda.

BASEBALL

The Armijo Indians were represented on the diamond this year by one of the strongest baseball teams in the county. But three positions were left vacant, owing to graduation. However, these vacant spots were soon filled with capable players. Armijo opened the season without any practice contests and defeated Benicia 10-3 in the first league encounter. The following week the Indians met Winters in a practice game, winning 14-2.

In meeting Vacaville for the first time, the Indians found tough opposition. Trailing 5-0 into the seventh inning, the Armijo nine rallied to score six runs to win the ball game, 6-5. Armijo met Benicia for the second time this season the following week and cinched the championship by a 6-0 shut-out victory. Vacaville succeeded in defeating the Indians for the first time of the season in a free-hitting game, winning 10-9. However, having cinched the championship, the Indians were mindful only of this defeat as an incident. Before meeting Clarksburg for the S.C.A.L. CHAMPIONSHIP, the Indians scored two more practice wins, defeating Hunt Bros., 9-4, and the Cal. Aggies, 3-1. Such stiff competition seemed to prepare the Indians for the tilt game.

The Clarksburg encounter proved the best game of the season, with Armijo losing 4-3. Costly errors sent the Indians to defeat in the seventh inning, after they had led 2-0. The visitors were to meet Sacramento's undefeated Dragons for the SACRAMENTO COUNTY TITLE. The Indians closed the season with a few more practice tilts.

The line-up participating in the major position of the games included T. Egusa, left-field; G. Egusa, pitcher and third-base; J. Colla, shortstop; D. Wing, second-base; J. Frutos, first-base; S. Mack, center-field; W. Freitas, right-field. Pretel, Egusa, and Mack shared pitching honors with L. Colla receiving. Reserve players included DePorto, Harper, McGinnis, Fernald, Brownlee, and LeGare.

TENNIS

This year of 1935, (in spite of the fact that a good team had been graduated) has proven to be very satisfactory in regard to Armijo's hopes of claiming S.C.A.L. pennants. Under the coaching of Mr. Barkley, the new recruits were whipped into shape and the following were chosen for the team: Doris McElrath, Evelyn Sweeney, Ruth Crane, Toshiko Osada, Alice Dotemoto, Anne Gurnette, Charles Crane, Wayne Woodard, James Hopkins, Lewis Morrill, and Kenneth Jones.

Only a few of these were used in the actual games. The following played in the county tournaments: Alice Dotemoto and Toshiko Osada played girls' doubles; Anne Gurnette, girls' singles; Lewis Morrill, boys' singles; Wayne Woodard and Charles Crane, boys' doubles; Ruth Crane and James Hopkins, mixed doubles.

The first S.C.A.L. tournaments were played with Vacaville. The girls' doubles, girls' singles, and boys' doubles were played at Vacaville on April 25, with Armijo winning the girls' singles and doubles. On April 26, the boys' singles and mixed doubles were played at Armijo with Armijo winning in mixed doubles. With this as a beginning, at least three of the members of the team should get a chance to play for the pennant and they might be successful in winning it.

SOCCKER

Soccer is becoming quite the game, for the Armijo girls have passed through the third year in which soccer has been played and it has succeeded in providing much amusement for the girls as well as being an overwhelming success as an athletic activity.

It would seem that either the juniors or seniors should have undoubtedly come out on top, for they had had three years in which to learn all the tricks of the game, but the sophomores won the honors this year. However, they were followed very closely by the freshmen, who left the upper classmen in the dust, with the juniors coming in a late third and the seniors bringing up the rear.

Everyone was quite surprised at the freshmen display of athletic ability; in fact these same freshmen gave the sophomores quite a run for their money.

The teams were coached by Miss L. Wylie, with the help of Agnes Jacobson and the manager, Marie Freitas.

The following class squads were put into action:

FRESHMEN: Forwards: D. Chadbourne, B. Chadbourne, Asanoma, Mack, Alonzo, Weir, and R. Alonzo; Half-backs: Mello, Carrion, and Goncalves; Full-backs: Pimentel and Crane; Goaler: K. Jacobson; Captain: Dennie Chadbourne.

SOPHOMORES: Forwards: Gein, Campos, Juan, C. Lambrecht, and Freitas; Half-backs: Schaffer and Dotemoto; Full-backs: Mitoma and Gein; Goaler: Meyer; Captain: Mabel Gein.

JUNIORS: Forwards: E. Sweeney, E. Lambrecht, Davisson, Peterson, and Mason; Half-backs: Sannazzari, Mortensen, and Dotemoto; Full-backs: Osada and Stuewe; Goaler: McElrath; Captain: Doris McElrath.

SENIORS: Forwards: Groulx, Siu, Canova, and Otsuji; Half-backs: M. Pappas and Monez; Full-backs: S. Lebedoff and Sciacqua; Goaler: Okell.

GIRLS' BASKET BALL

Although no inter-school games were played this year, the girls showed just as much enthusiasm over the games between the classes. All classes turned out for practices, but the freshmen showed the most energy and spirit by having the greatest number. Under the management of Eleanor Lambrecht and the coaching of Miss Wylie, the girls were put through their paces. The games were played off during the last of February. The first game played between the freshmen and juniors was rather interesting to witness, for it was the freshmen's first game. Although the juniors were the victors, the freshmen put up an excellent fight.

All other games, even the return games, were interesting. The juniors were the champions, with the sophomores following close behind. The seniors came in third, the freshmen bringing up the rear.

The squad line-up for the classes was as follows:

FRESHMEN: Forwards: K. Jacobson, Tomasini, Bailard, and Weir; Guards: Pangburn, Toselli, and Crane; Centers: B. Chadbourne, Asanoma, and D. Chadbourne.

SOPHOMORES: Forwards: Gein, Juan, and W. Widenmann; Guards: C. Lambrecht and Campos; Centers: M. Freitas and G. Pappas.

JUNIORS: Forwards: E. Sweeney, McElrath, and Gurnette; Guards: E. Lambrecht, Sannazzari, and Stuewe; Centers: Davisson and Osada.

SENIORS: Forwards: S. Lebedoff, Munoz, and Monez; Guards: M. Pappas and Groulx; Centers: Okell and Sciacqua.

BASEBALL

The BASEBALL SEASON for the girls promises to be one of the most successful ever held. The teams are showing their ability at practice games. To date, no inter-class games have been played, but the contest for the championship will be close and interesting to watch.

The members of the teams are as follows:
